WE'LL MEET AGAIN

DAISY BELL

Daisy, Daisy,
Give me your answer do!
I'm half crazy,
All for the love of you!
It won't be a stylish marriage,
I can't afford a carriage
But you'll look sweet upon the seat
Of a bicycle made for two.

MY FAVOURITE THINGS – RICHARD RODGERS

Raindrops on roses and whiskers on kittens
Bright copper kettles and warm woollen mittens
Brown paper packages tied up with strings
These are a few of my favourite things.

Cream-colored ponies and crisp apple strudels;
Doorbells and sleigh bells and schnitzel with noodles;
Wild geese that fly with the moon on their wings;
These are a few of my favourite things.

Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver-white winters that melt into springs
These are a few of my favourite things

When the dog bites,
When the bee stings,
When I'm feeling sad,
I simply remember my favourite things,
And then I don't feel so bad.

BLUE MOON

Blue Moon,
you saw me standing alone,
without a dream in my heart ,
without a love of my own.
Blue Moon,
you know just what I was there for,
you heard me saying a prayer for,
someone I really could care for.

And then there suddenly appeared before me,
the only one my arms will ever hold.
I heard somebody whisper please adore me,
and then I looked to the Moon it turned to gold.

Blue Moon,
now I'm no longer alone,
without a dream in my heart,
without a love of my own.

I SAW HER STANDING THERE – THE BEATLES

Well, she was just seventeen
You know what I mean
And the way she looked
Was way beyond compare
So how could I dance with another
Ooh, when I saw her standing there?

Well, she looked at me
And I, I could see
That before too long
I'd fall in love with her
She wouldn't dance with another
Ooh, when I saw her standing there

Well, my heart went "boom"
When I crossed that room
And I held her hand in mine

Oh we danced through the night
And we held each other tight
And before too long
I fell in love with her
Now I'll never dance with another
Ooh, since I saw her standing there

Well, my heart went, "Boom"
When I crossed that room
And I held her hand in mine

Oh, we danced through the night
And we held each other tight
And before too long
I fell in love with her
Now I'll never dance with another
Oh, since I saw her standing there...

DANCING QUEEN - ABBA

You can dance, you can jive, having the time of your life,
see that girl, watch that scene, digging the Dancing Queen

Friday night and the lights are low,
looking out for the place to go,
where they play the right music,
getting in the swing
you come in to look for a king.
Anybody could be that guy,
night is young and the music's high.
With a bit of rock music, everything is fine,
you're in the mood for a dance
and when you get the chance...

You are the Dancing Queen,
young and sweet, only seventeen
Dancing Queen, feel the beat from the tambourine

You can dance, you can jive, having the time of your life
See that girl, watch that scene, digging the Dancing Queen

You're a teaser, you turn 'em on
Leave them burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance...

You are the Dancing Queen,
young and sweet, only seventeen
Dancing Queen,
feel the beat from the tambourine

You can dance, you can jive, having the time of your life
See that girl, watch that scene, digging the Dancing Queen

(YOU MAKE ME FEEL LIKE) A NATURAL WOMAN

Looking out on the morning rain
I used to feel so uninspired
And when I knew I had to face another day
Lord, it made me feel so tired
Before the day I met you, life was so unkind
But you're the key to my peace of mind

'Cause you make me feel
You make me feel
You make me feel like a natural woman

When my soul was in the lost and found
You came along, to claim it
I didn't know just what was wrong with me
'Til your kiss helped me name it

Now I'm no longer doubtful of what I'm living for
And if I make you happy I don't need to do more
'Cause you make me feel
You make me feel
You make me feel like a natural woman

Oh, baby, what you done to me?
You make me feel so good inside
And I just wanna be close to you
You make me feel so alive

You make me feel
You make me feel
You make me feel like a natural woman

You make me feel
You make me feel
You make me feel like a natural woman

AMARILLO – TONY CHRISTIE

Sha la la la la la la, Sha la la la la la la, Sha la la la la la la
When the day is dawning, On a Texas Sunday Morning
How I long to be there With Marie who's waiting for me there
Every lonely city Where i hang my hat
Ain't as half as pretty, As where my baby's at
Is this the way to Amarillo?
Every night I've been hugging my pillow
Dreaming dreams of Amarillo
And sweet Marie who waits for me
Show me the way to Amarillo
I've been weeping like a willow
Crying over Amarillo
And sweet Marie who waits for me
Sha la la la la la la, Sha la la la la la la, Sha la la la la la la
And Marie who waits for me
There's a church bell ringing With a song of joy that its singing
For the sweet Maria And the guy who's coming to see her
Just beyond the highway There's an open plain
And it keeps me going through the wind and rain
Is this the way to Amarillo?
Every night I've been hugging my pillow
Dreaming dreams of Amarillo
And sweet Marie who waits for me
Show me the way to Amarillo
I've been weeping like a willow
Crying over Amarillo and sweet Marie who waits for me
Sha la la la la la la, Sha la la la la la la, Sha la la la la la la
And Marie who waits for me
Sha la la la la la la, Sha la la la la la la, Sha la la la la la la,
And Marie who waits for me...

BYE BYE BLACKBIRD

Pack up all my care and woe
Here I go, singing low
Bye-bye, blackbird

Where somebody waits for me
Sugar's sweet and so is he
Bye, bye, blackbird

No one here can love and understand me
Oh, what hard-luck stories they all hand me
Make my bed, light the light, I'll arrive late tonight
Blackbird, bye bye

LET'S GO FLY A KITE (FROM MARY POPPINS)

With tuppence for paper and strings
You can have your own set of wings
With your feet on the ground
You're a bird in a flight
With your fist holding tight
To the string of your kite

Oh, oh, oh!
Let's go fly a kite
Up to the highest height!
Let's go fly a kite and send it soaring
Up through the atmosphere
Up where the air is clear
Oh, let's go fly a kite!

When you send it flyin' up there
All at once you're lighter than air
You can dance on the breeze
Over houses and trees
With your fist holding tight
To the string of your kite

Oh, oh, oh!
Let's go fly a kite
Up to the highest height!
Let's go fly a kite and send it soaring
Up through the atmosphere
Up where the air is clear
Let's go fly a kite!

I'M STILL STANDING

You could never know what it's like
Your blood like winter freezes just like ice
And there's a cold lonely light that shines from you
You'll wind up like the wreck you hide
Behind that mask you use

And did you think this fool could never win
Well look at me, I'm coming back again
I got a taste of love in a simple way
And if you need to know while I'm still standing
You just fade away

Don't you know
I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
And I'm still standing after all this time
Picking up the pieces of my life
Without you on my mind
I'm still standing (Yeah, yeah, yeah)
I'm still standing (Yeah, yeah, yeah)

Once I never could hope to win
You starting down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus
You'd be a clown by now

You know, I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life
Without you on my mind
I'm still standing (Yeah, yeah, yeah)
I'm still standing (Yeah, yeah, yeah)

HE AIN'T HEAVY – THE HOLLIES

The road is long
With many a winding turn
That leads us to who knows where?
Who knows where?
But I'm strong
Strong enough to carry him
He ain't heavy, he's my brother

So on we go
His welfare is my concern
No burden is he to bear
We'll get there
For I know
He would not encumber me
He ain't heavy, he's my brother

If I'm laden at all
I'm laden with sadness
That everyone's heart
Isn't filled with the gladness
Of love for one another

It's a long, long road
From which there is no return
While we're on the way to there
Why not share?
And the load
Doesn't weigh me down at all
He ain't heavy, he's my brother

BRIDGE OVER TROUBLED WATER – SIMON AND GARFUNKEL

When you're weary, feeling small,
When tears are in your eyes, I will dry them all;
I'm on your side. When times get rough
And friends just can't be found,
Like a bridge over troubled water
I will lay me down.
Like a bridge over troubled water
I will lay me down.

When you're down and out,
When you're on the street,
When evening falls so hard
I will comfort you.
I'll take your part.
When darkness comes
And pain is all around,
Like a bridge over troubled water
I will lay me down.
Like a bridge over troubled water
I will lay me down.

Sail on silvergirl,
Sail on by.
Your time has come to shine.
All your dreams are on their way.
See how they shine.
If you need a friend
I'm sailing right behind.
Like a bridge over troubled water
I will ease your mind.
Like a bridge over troubled water
I will ease your mind.

HEY JUDE – THE BEATLES

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

Oh-oh-oh, and anytime you feel the pain
Hey Jude, refrain
Don't carry the world upon your shoulders
For well you know that it's a fool who plays it cool
By making his world a little colder
Na, na, na, na, na-na-na, na

Hey Jude, don't let me down
She has found you, now go and get her
Remember to let her into your heart
Then you can start to make it better

So let it out and let it in
Hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you
Hey Jude, you'll do
The movement you need is on your shoulder

La, la, la, la, la, La, la, la, la, mm
Hey Jude, don't make it bad
Take a sad song and make it better
The minute you let her into your heart
Then you can start to make it better
Better, better, better, better, better, whoa, yeah!
Na, na, na, na-na-na, na, na-na-na, na, Hey Jude...

THANK YOU FOR THE MUSIC - ABBA

I'm nothing special, in fact I'm a bit of a bore
If I tell a joke, you've probably heard it before
But I have a talent, a wonderful thing
'Cause everyone listens when I start to sing
I'm so grateful and proud
All I want is to sing it out loud

So I say
Thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it, I ask in all honesty
What would life be?
Without a song or a dance what are we?
So I say thank you for the music
For giving it to me

Mother says I was a dancer before I could walk
She says I began to sing long before I could talk
And I've often wondered, how did it all start?
Who found out that nothing can capture a heart
Like a melody can?
Well, whoever it was, I'm a fan

So I say
Thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it, I ask in all honesty
What would life be?
Without a song or a dance what are we?
So I say thank you for the music
For giving it to me

I've been so lucky, I am the girl with golden hair
I wanna sing it out to everybody
What a joy, what a life, what a chance!

Thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it, I ask in all honesty
What would life be?
Without a song or a dance what are we?
So I say thank you for the music
For giving it to me

WE'LL MEET AGAIN

We'll meet again, don't know where, don't know when
But I know we'll meet again some sunny day
Keep smiling through, just like you always do
Till the blue skies chase those dark clouds far away
And will you please say hello to the folks that I know
Tell them I won't be long
They'll be happy to know that as you saw you go
I was singing this song
We'll meet again, don't know where, don't know when
But I know we'll meet again some sunny day
